

Cookie Policy

Information about our use of cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie	Name	Description	Expiry
Session identifier	sessionid	This cookie is used to identify whether you have logged in, and if so, the account you have logged in with. It expires when the browser is closed.	When the browser is closed
Persistent identifier	srpperm	This cookie is used to remember if you have confirmed you are associated with an FCA authorised firm in the UK.	30 Days
Cookie notification	cookie-notification-confirmed	This cookie stores your confirmation of the cookie notification, so that you won't keep seeing it.	1 Year
Online form security	csrftoken	This cookie provides cross-site request forgery prevention, a security feature covering the submission of online forms on our website by visitors.	1 Year
Google analytics	_ga	These cookies are used to collect information in an anonymised form about how visitors use our websites. We use the information to produce reports covering metrics such as numbers of visitors to pages and time spent on the website.	2 Years
	_gid		24 Hours
	_gat		1 Minute

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.
