About Oldfield Partners

Oldfield Partners LLP is an owner-managed boutique fund management firm which manages equity portfolios for a global client base that includes endowments funds, pension funds, charities, family offices and individuals.

Oldfield Partners began operations in March, 2005 and is majority owned by the executive partners.

We are value investors with a distinctive approach: a limited number of holdings, long-only, no leverage, diversified, index-agnostic and suspicious of short-termism.

This document contains performance information meeting standards which use a composite of investment advisory fees paid by clients rather than the actual fees which will apply to a particular investment. These standards are calculated differently to SEC standards and, accordingly, where this document is provided as a non-exempt investment advertisement it is not intended for US persons and any US person seeking performance information calculated to SEC rules should contact info@oldfieldpartners.com. Oldfield Partners LLP's investment advisory fees are more fully described in the Form ADV Part 2A.

The Emerging Markets Equity Composite includes global emerging markets equity portfolios run with the following style: value focussed, concentrated, index agnostic and anti-short term. The benchmark for this composite is the MSCI Emerging Markets Index with net dividends reinvested. A complete listing and description of all composites is available on request. The composite was created in January 2001. Net of fees performance is presented net of actual investment management fees. Fees vary between accounts contained within the composite, in particular between segregated accounts and pooled vehicles. The highest fee Oldfield Partners LLP charges on any account within this composite is 1.25% per annum. Oldfield Partners LLP is authorised and regulated by the Financial Conduct Authority.
